

# Paintings

---

A Learning Resource

# Using Paintings as a Learning Resource

## Step 1

Students form groups  
and the teacher  
shows  
them some  
original paintings  
to choose from

# Using Paintings as a Learning Resource

## Step 2

The teacher shows  
a photoshopped version  
of one of these pictures

# Using Paintings as a Learning Resource

## Step 3

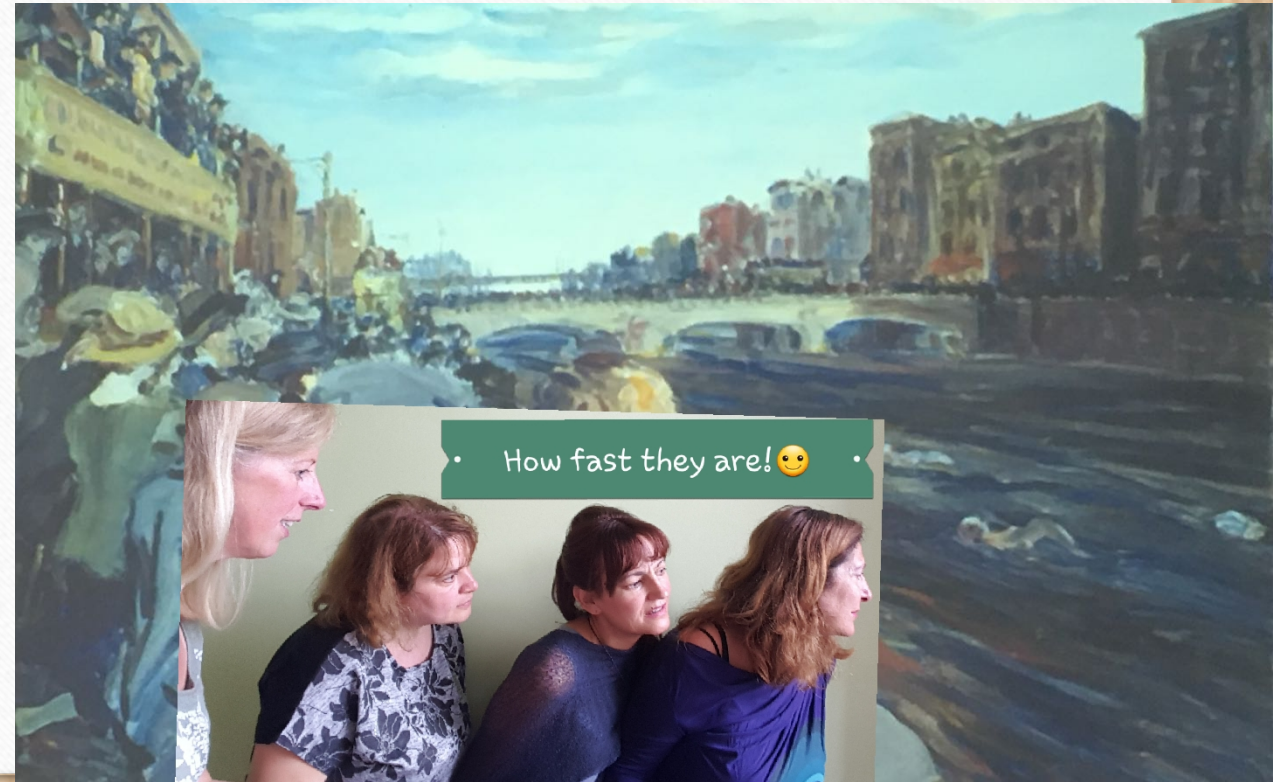

---

Students in groups search about the picture chosen

# Using Paintings as a Learning Resource

Step 4 Students exhibit their two paintings and ask the rest to compare

# Using Paintings as a Learning Resource

## Step 5

---

Each group posts on a padlet the paintings and the information that they found about the picture
