Stories

The author J.R. Kipling is famous for his children's books. He was born in Bombay in 1865. He studied in England where he died in 1936. The most famous of his books is "The jungle book", a very popular story for children.

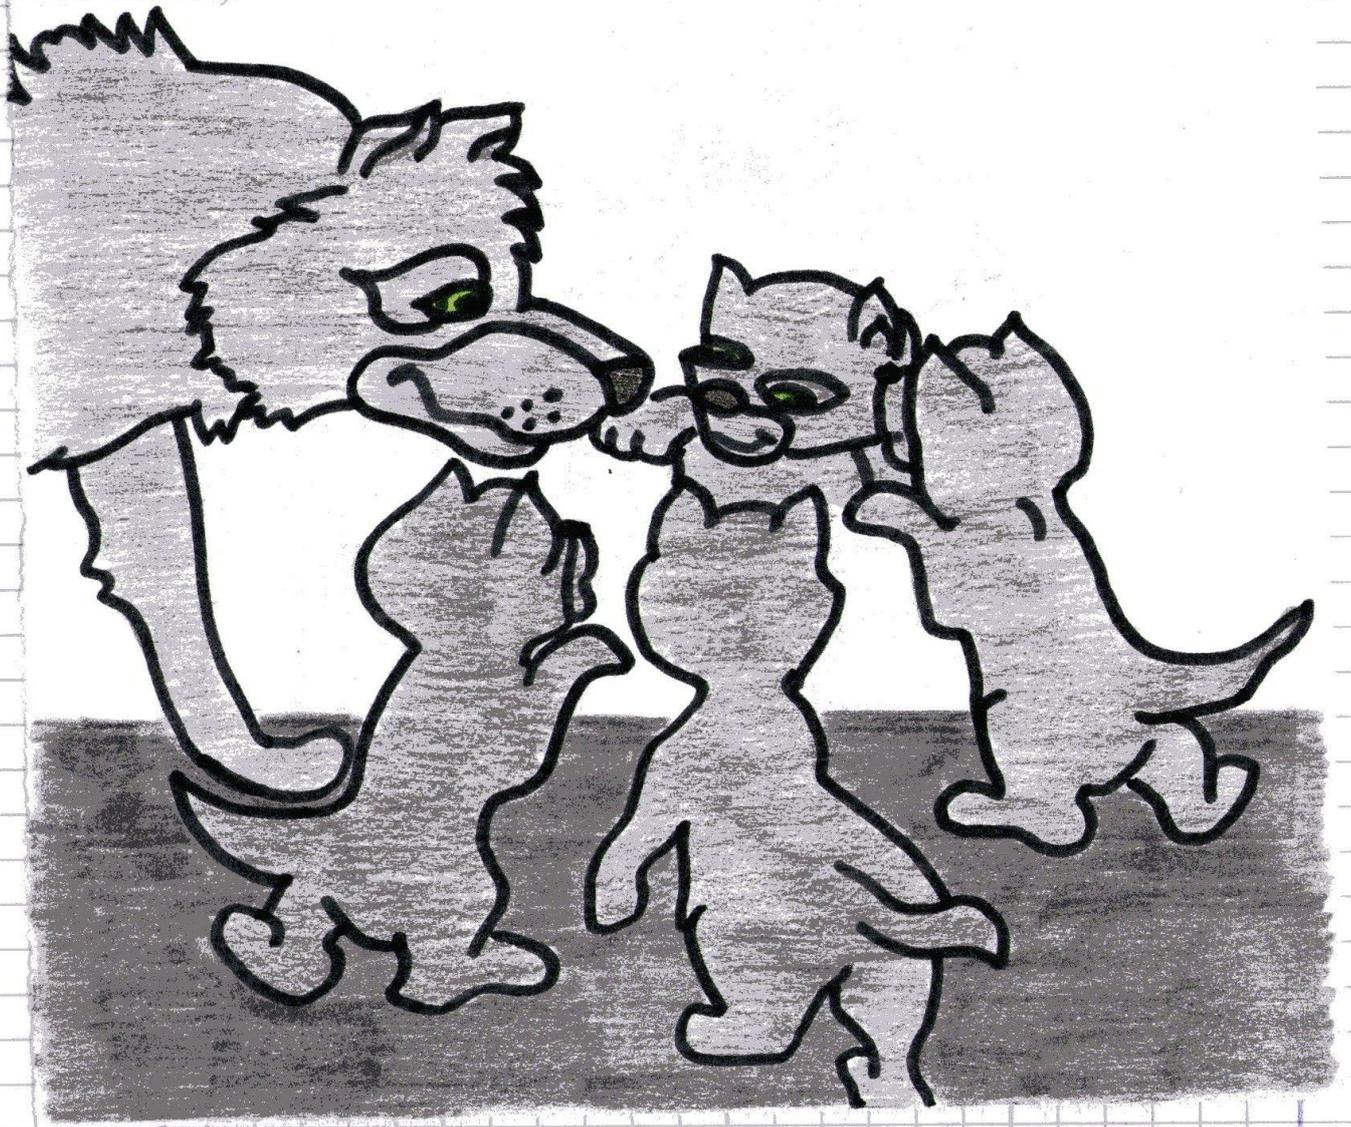

It tells the story of how the child Mowgli grows up with the wolves in the jungle.

He **travels** through the jungle with his friends Bagheera, the black panther and Baloo, the big bear.

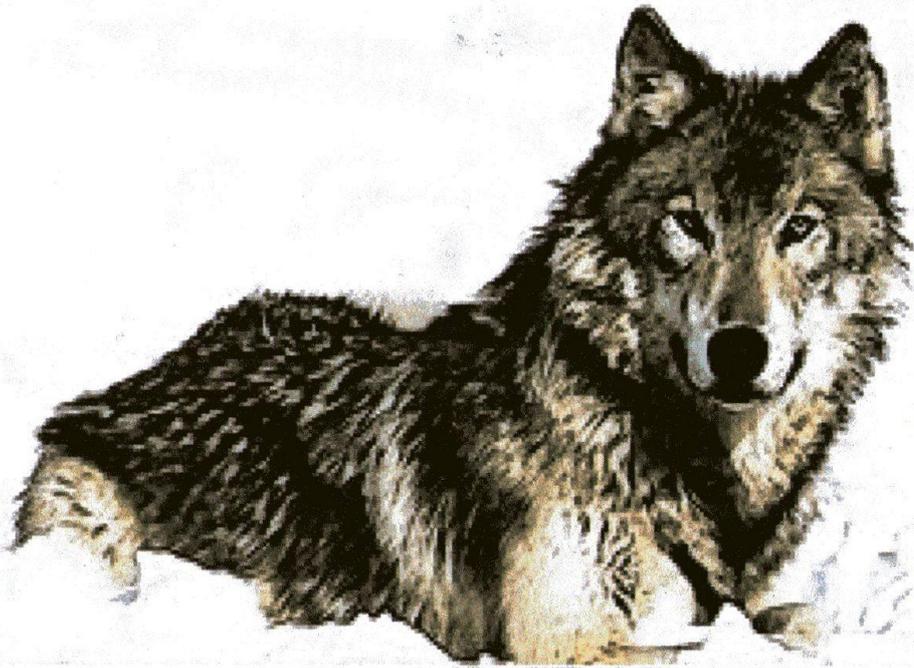

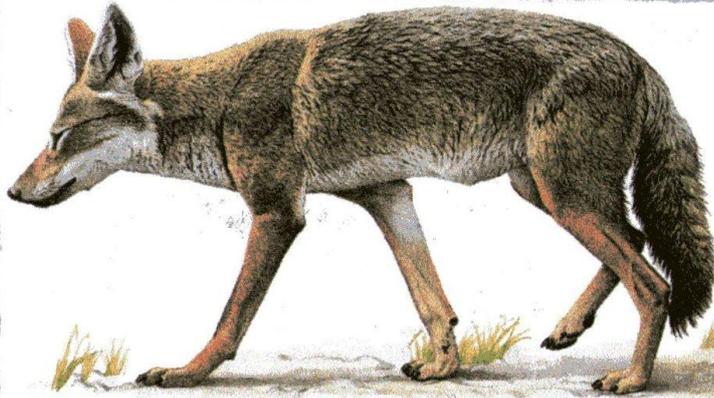

Mother Wolf and Father Wolf are
in the jungle

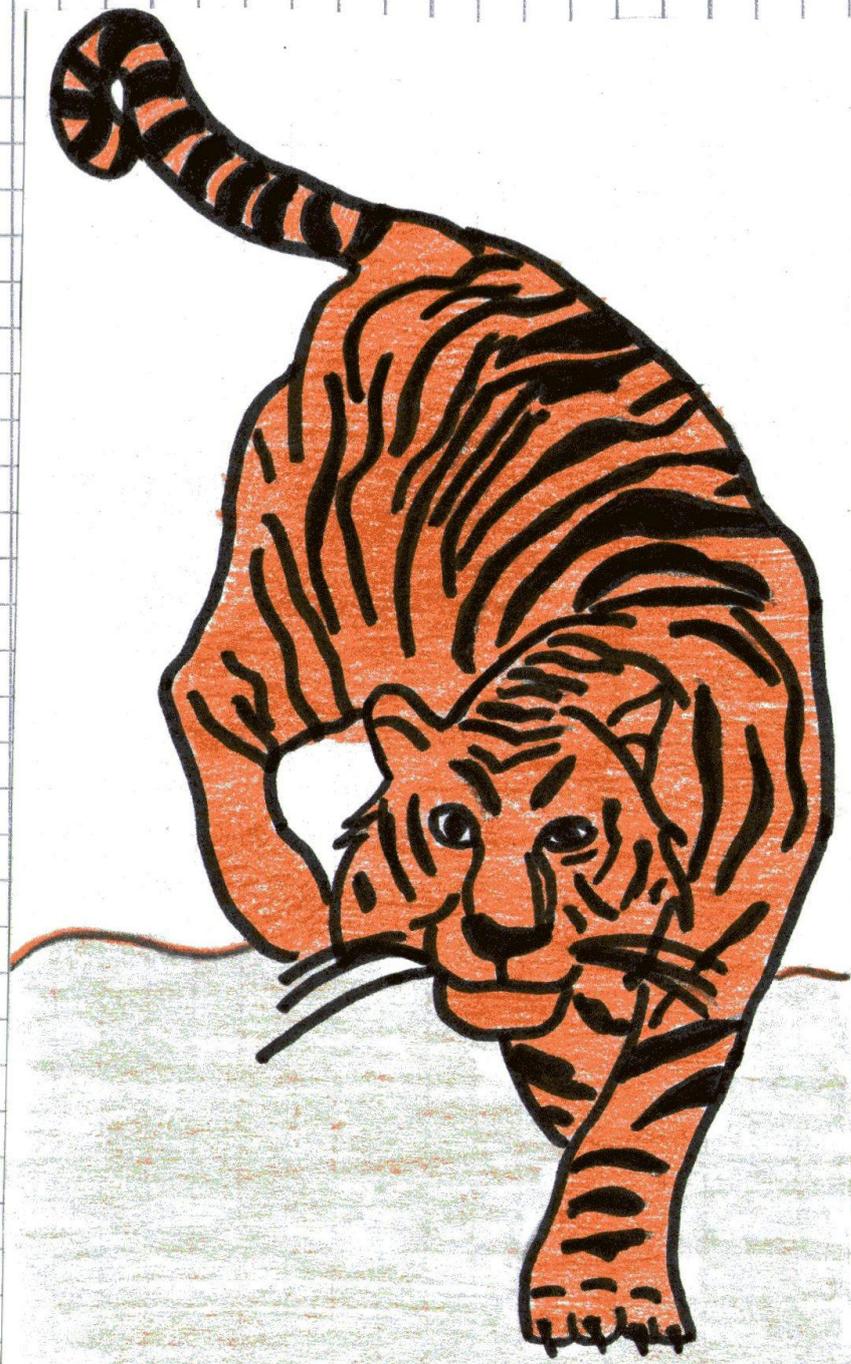

mother wolf is in the cave with
her four cubs.

Taboqui, the Jackal, comes into the
cave and tells Father Wolf the
Jungle is too dangerous

Shere Khan, the tiger is hunting
on the hills. The tiger kills the
cows and can also kill the men.

Mother Wolf and Father Wolf are
worried and they stay still to
listen to the noises from the forest

Suddenly Father Wolf hears
a different noise.
"Shh!" he says "listen!"
Mother Wolf listen, too

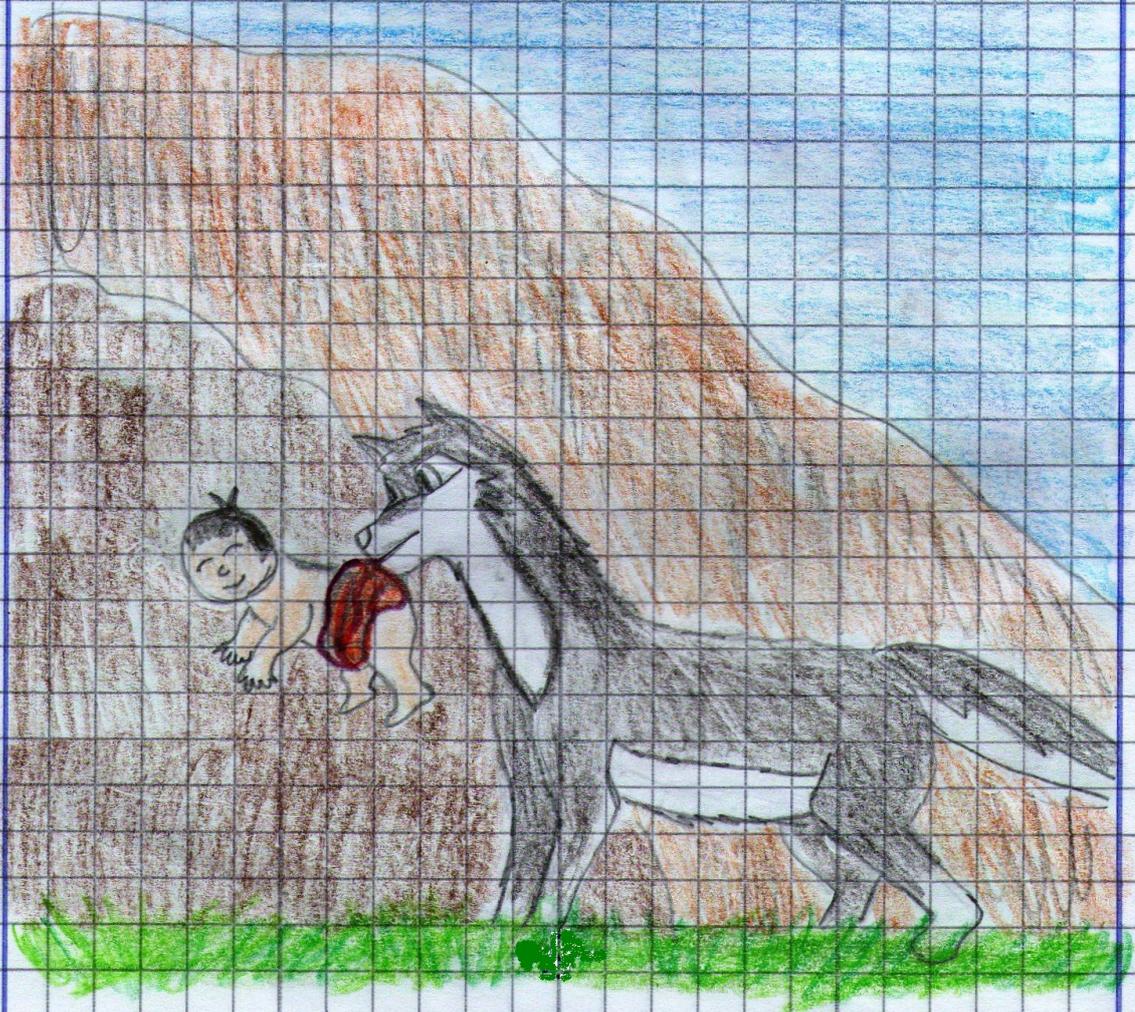

Father Wolfe goes out of the cave. There is a great surprise: a little child is coming out of the bushes and is smiling at him.

Father Wolf lifts the baby and
carries him into the cave

Mother Wolf looks at the strange
creature.

She likes him and wants to
protect him

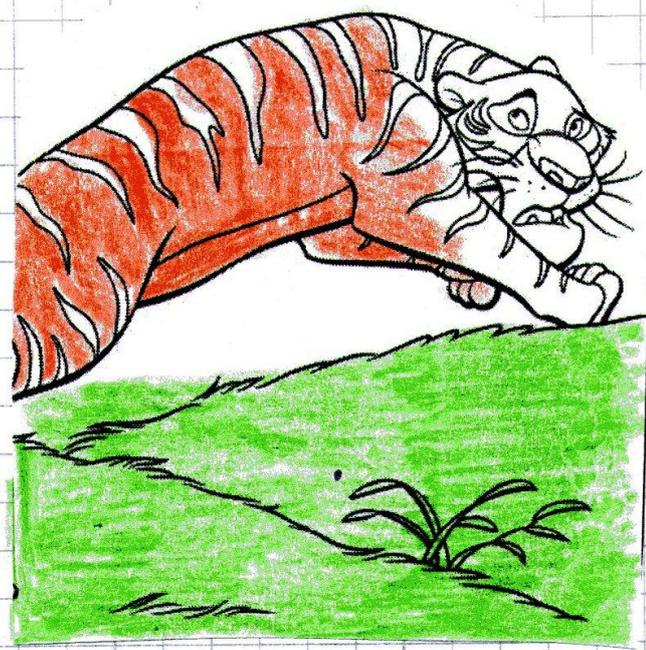

But Shere Khan is not far from
the cave. Now he wants the
baby. He roars: "The man cub is
mine! Give it to me!"

"The man cub is ours! Go away!"

Says Father Wolf. Shere Khan goes
away, but the wolves are worried

GO AWAY!

Father and Mother Wolves decide to name
the baby Mowgli

MOWGLI

Tonight there is the Pack Meeting.
All the wolves are there, sitting around
Okelaw, the Head of Pack.
He is old and wise.

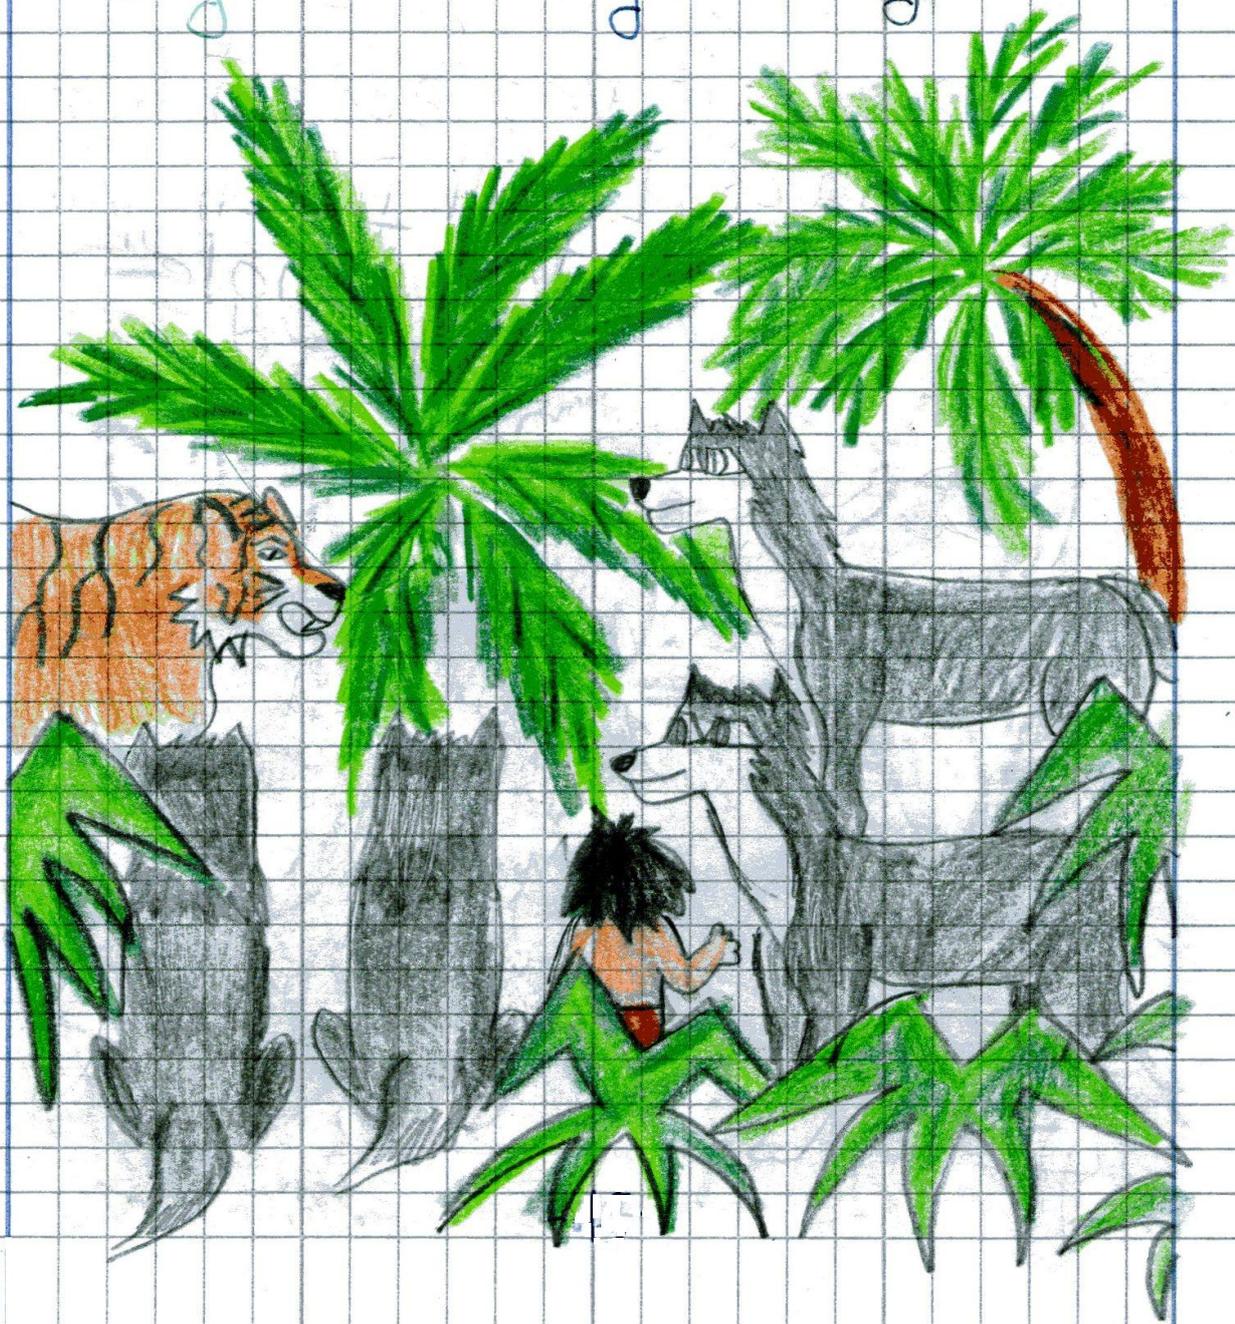

There is Mowgli too. He looks happy.
One by one, the cubs are shown to
the pack and are admitted into
the group.

When it is Mowgli's turn.
He goes in front of Akela.
But as sudden roar comes
from the jungle.

Some wolves are afraid of
Shere Khan and prefer to leave
Mowgli to the great tiger

Suddenly a voice comes from the group of animals.

It is Baloo, the Big Bear.

He says: "if you accept him in the pack, I will teach him how to live in the jungle."

Another voice comes from the jungle.

It's Bagheera, the black panther.

Bagheera says: "If you accept him,

I will give you a fat cow to eat".

"Yes, yes!" say all wolves."

"Let's keep Mowgli. He is one
of us."

So Mowgli stays with the
wolves.

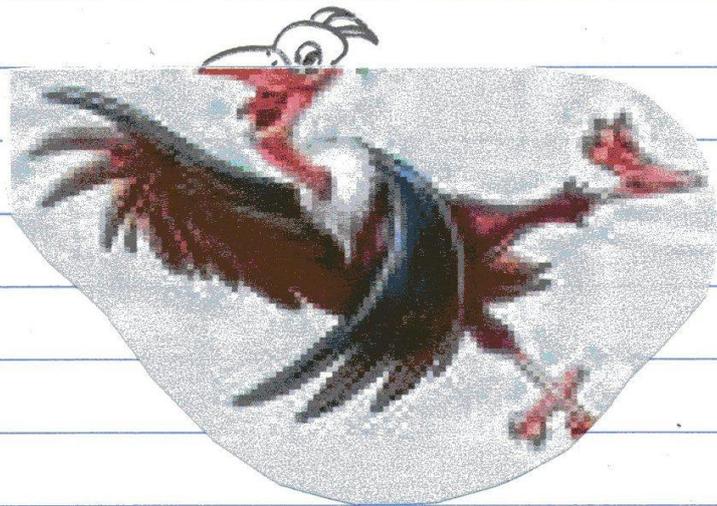

He is very happy.

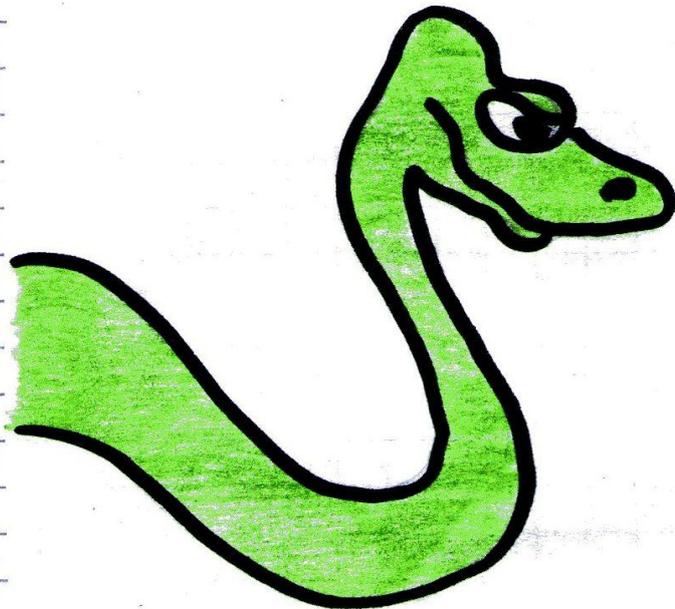

One day Baloo, Bagheera and Mowgli are resting under a tree, when Mowgli suddenly feels himself flying in the air. Two monkeys are holding him. After a few minutes Mowgli is in Monkey City, very far from Bagheera and Baloo.

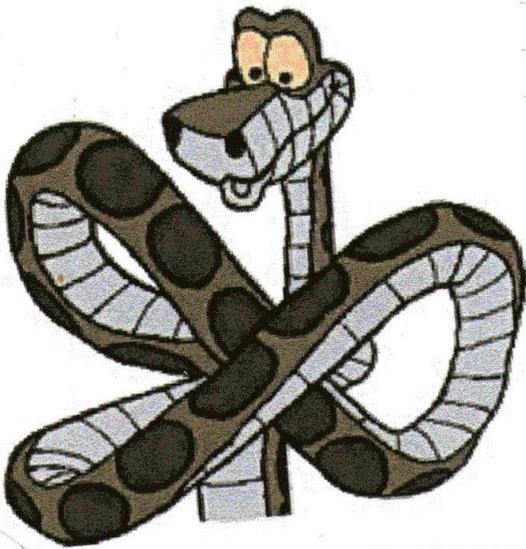

Mougi's afraid of monkeys and he asks
Peep to a kite. He say "Please, tell Baloo
that I am here with the monkeys and
I need Peep!"

When the kite brings the message
Babar and Bagheera decide to go to
Monkey city and to ask help to
Kaa, the big python.

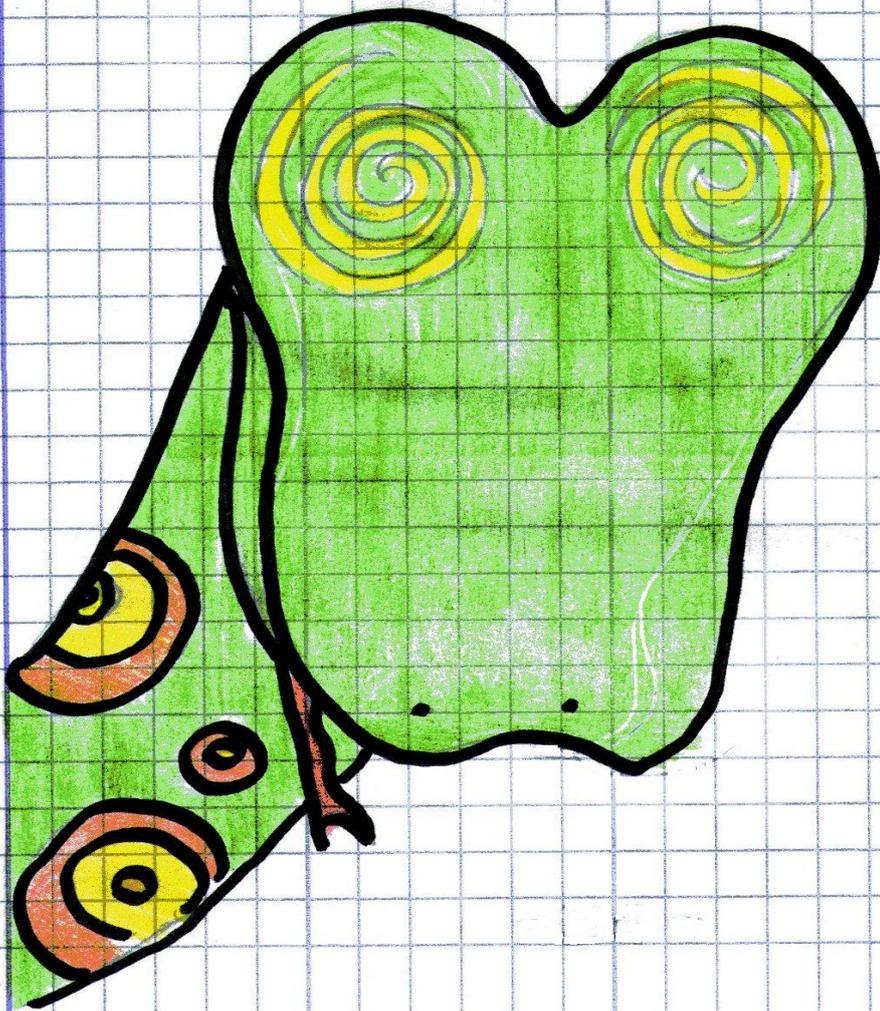

Bagheera, Baloo and Kaa start
Their journey to Monkey City.

When they arrive at Monkey City, Bagheera starts the attack, jumping on the monkeys. Baloo joins the fight and whispers in Mowgli's ear: "Shh! Follow me!"

Meanwhile the monkeys fall
under the spell of Kaa's eyes
and are hypnotized by his
stare.

At least Mowgli is safe again
in the jungle

Mother Wolf and Father Wolf
are waiting for him in the
cave and he tells them his
adventure among the
Monkey People

Some years have passed.
Mowgli is now a tall and strong
boy.
Shera Khan has not forgotten the
man cub

One day Shere Khan goes to the
Pack Meeting

"Give me the man cub".

He says.

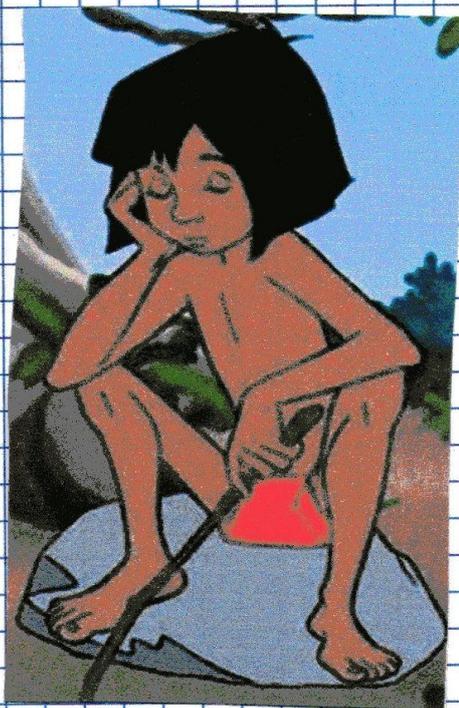

The wolves are a fraid

Now Akela is old and weak
and he can't defend them

Mowgli must go away, or
Shere Khan will kill him.

Mowgli is sad and Mother
wolf and Father wolf are sad,
too.

Mowgli says goodbye to all his friends
and walks to the men's village.

A woman takes care of him and
gives him something to eat and drink.

Mowgli can't speak the men's language,
but in a few days he begins to
understand and repeat some words

At night he sleeps outside
the hut.

One night, one of the cubs
comes to tell Mawgei that
Shere Khan is back and
wants to kill him.

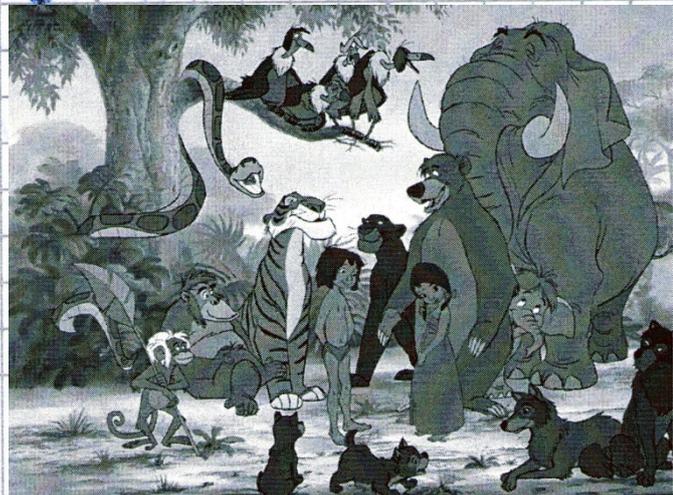

They make a plan to trap Shere Khan.
With the help of Akela, they kill the
tiger.

Now Mowgli is a strong and wise man.

He and his friends decide to go to live on their own in the jungle.
